Luxury Towers in the City Center in Istanbul HP045

These towers are located in a residential and commercial compound. It is located in Maslak district in Istanbul which is considered one of the most strategic and calm places in Istanbul. It is near the heart of Istanbul and located near the E80 highway, where it connects you to the rest of the city without getting stuck in the traffic. The public transportations are few minutes away by walk. A good location and a calm place in the city is very rare these days. The compound was built on a 655,000 m² land to provide such wide facilities and social amenities inside the compound, such as swimming pools, children playgrounds, commercial stores, fitness center, sauna, shopping mall, reception and an underground parking lot. It is consisted of three towers, one for offices and two for residential apartments with areas starting from 51m² to 369m².

All apartments in this project are eligible for the application for the Turkish citizenship.
